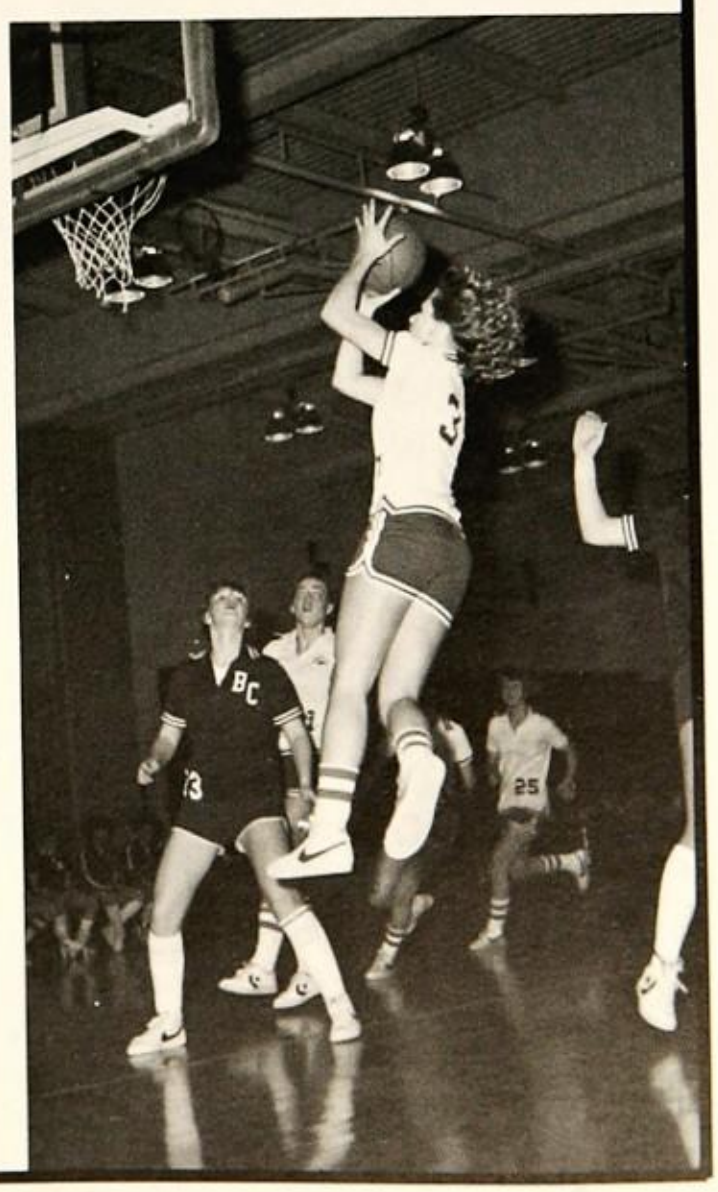
GIRL'S HOOP

"Hey, We're The Champs!"



BOY'S HOOP

At this point in the season our record stands at 7-5. We are being led by Bill Queen and Barry DePaolo (co-captains) and seniors Mark Gutouski, Ted Wallace and Mike Nappi round out are starting five.

Bill Queen leads the team in rebounding and scoring but is being supported in other areas by the other four starters. Our record, although above 500 is a little deceiving- We have been involved in many close games. We have been by less than 5 points.

We are at the point now, with 8 games remaining, to be in a position where we can either have a mediocre or a great season. The team has worked very hard since November and hopefully things will work out for a better half, the second half of our season.

Our goal, is to finish as high as we can in our region for the upcoming state tournament.

First Row: Mike Nappi, Tony Della Vecchia, Mike Ungaro, Bill Shearstone, Jim DeBisshop, Barry DePaolo, Kevin Meier, Bill Queen, Mark Gutowski, Ted Wallace. Kneeling: John Pelcher, Todd McMillan, Tyrone Risby, Tom Bentz, Kevin Albert

It is extremely rare that so many mature, responsible girls come together in one cheerleading squad as they have this year. They are a hard working, fun loving, and award winning girls. Their efforts were rewarded in Rhode Island during summer camp with a first place trophy and an invitation to compete nationally in Pennsylvania.

Although the Penn trip was disappointing in the awards category, it only reinforced what I already knew-they are a special group with a great deal of pride in themselves, their squad and their school. This pride is evident in their cheering, their schoolwork, and their personal appearance.

Thanks for a memorable and rewarding year. Smile Ladies-You've done a "Good Job".

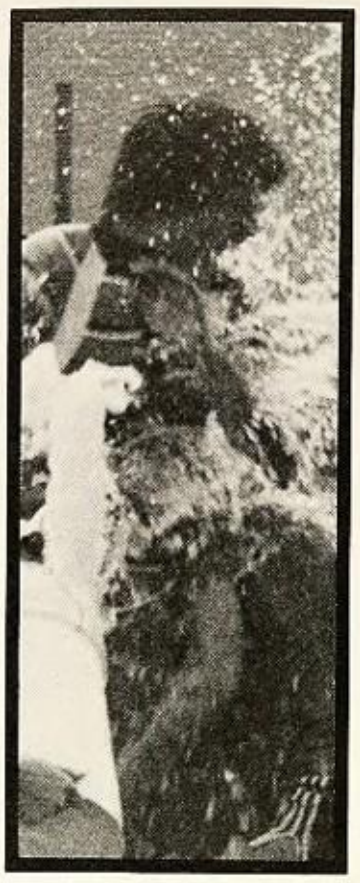
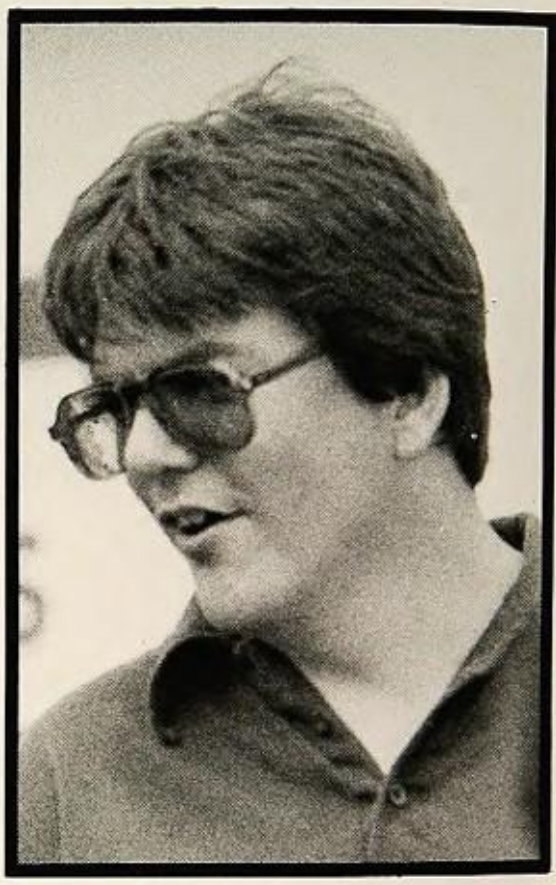
MISS HELEN CROWLEY MR. MARK BERUBE





"You are unique in all the world."
Saint Exupery

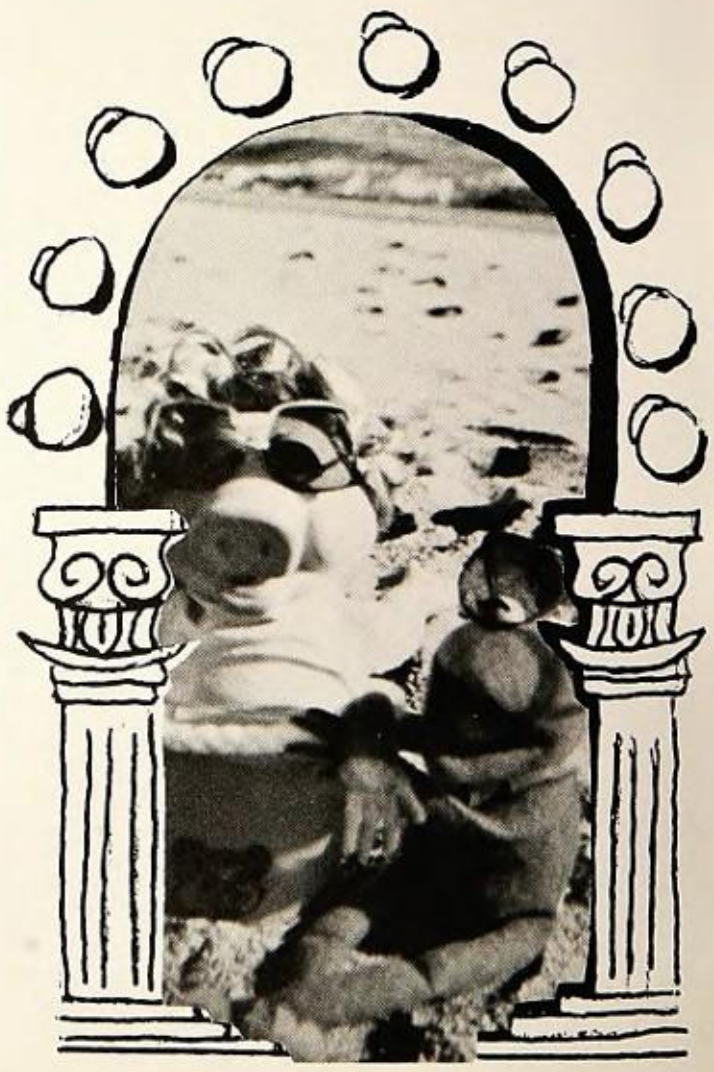
Each of you is unique: singular, original, unusual, one of a kind. You have brought that uniqueness to Southington High School, to the class of 1982. You have shared with us and with each other your time, your thoughts, and your energy; you have touched the lives of many in a special way. While individual traits make you who you are, this sharing of yourself helps determine which way you will go as you leave here with the spirit which is the class of 1982.

It is difficult to express in this small space, in these few words, what the class of 1982 has meant to us. The individual events which have comprised your years at Southington High School are all part of the fun we've had, the laughter we've shared, the tears we've shed, and the joy we've felt. As a result of having worked with you, we are filled with an overwhelming sense of enthusiasm for your successes, happiness in your accomplishments, and pride in your growth.

E.E. Cummings wrote, "i carry your heart with me always." We shall carry your heart, the spirit and the love of the class of 1982, with us always. We thank you for allowing us the privilege of being your advisers. It has been a pleasure which we will never forget. We wish you peace, success, and, above all else, happiness always.

With all our love,

Mark E. Berube
Helen A. Crowley



As we came to SHS, as the Sophomore class in '79, we had just begun a long journey which led to our great class of '82. The magazine drive was our first triumphant goal that was reached as a class. The goal consisted of $25,000 worth of magazines that were sold. This goal was reached by the class strength that we possessed, even as Sophomores.

"MAGIC TO DO" MARCH 1981

Oh, yeah? Come up here and say that!!

L. Bouch with the N.Y. N.Y.

"Magic To Do"

Dawny-Face belts one out!

Mary made it through the rain.

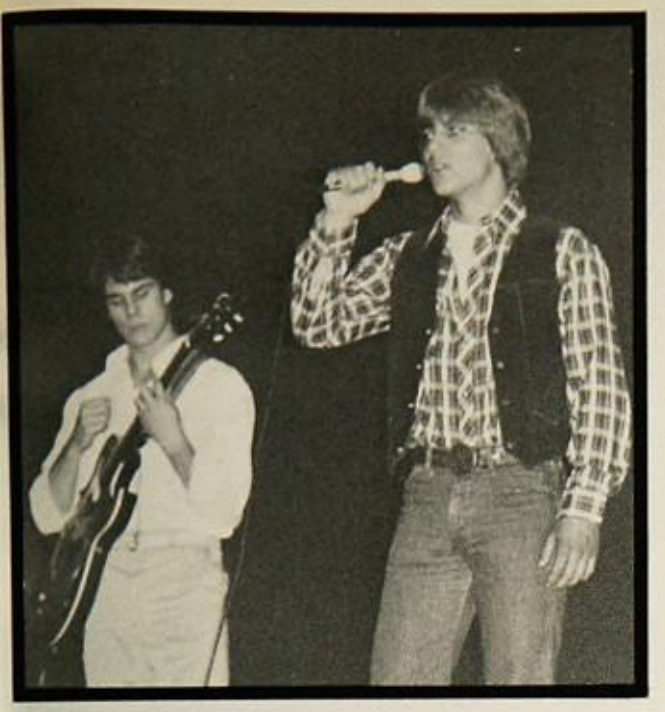
The Big Bad Bubblin' Brandy Blues Band

Pam's bologna has a first name, it's O-S-C-A-R . . .

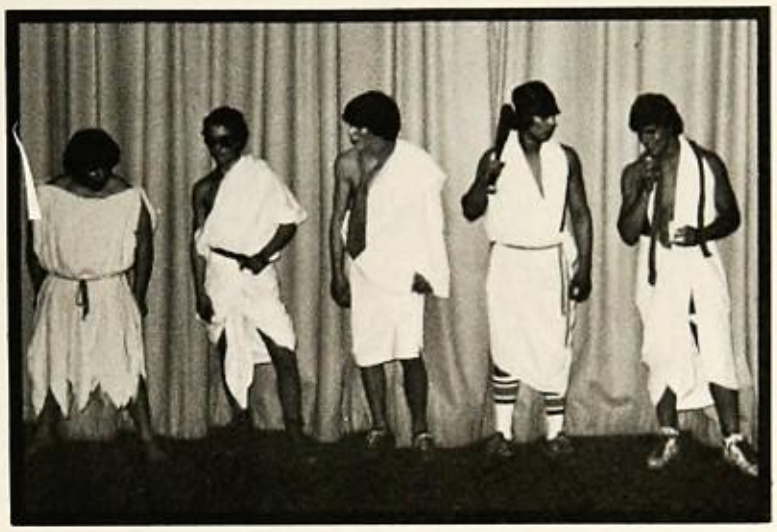


All right — fifth take.

Help! I just can't shut my mouth!

The evening of March 6, 1981 was overflowing with our Junior spirit and class fun. There was "magic" in the air at every rehearsal, as we all pulled together - to entertain. Certainly our memories of "Magic To Do" will always be treasured as precious and few.

And now for the next act . . .



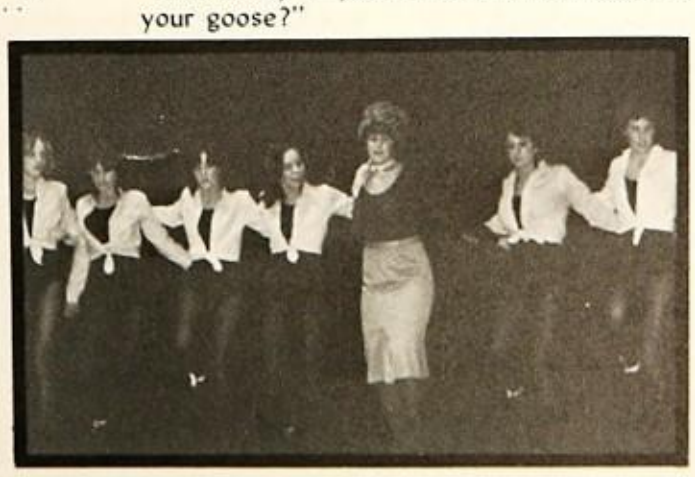
No caption necessary.

That's Jim with the thrill of victory.

"Once we were conventionally, proper lawabiding citizens . . ."

"How funky is your chicken? How loose is your goose?"

Nothing like a Roman hunk!



Hello Dolly and company!

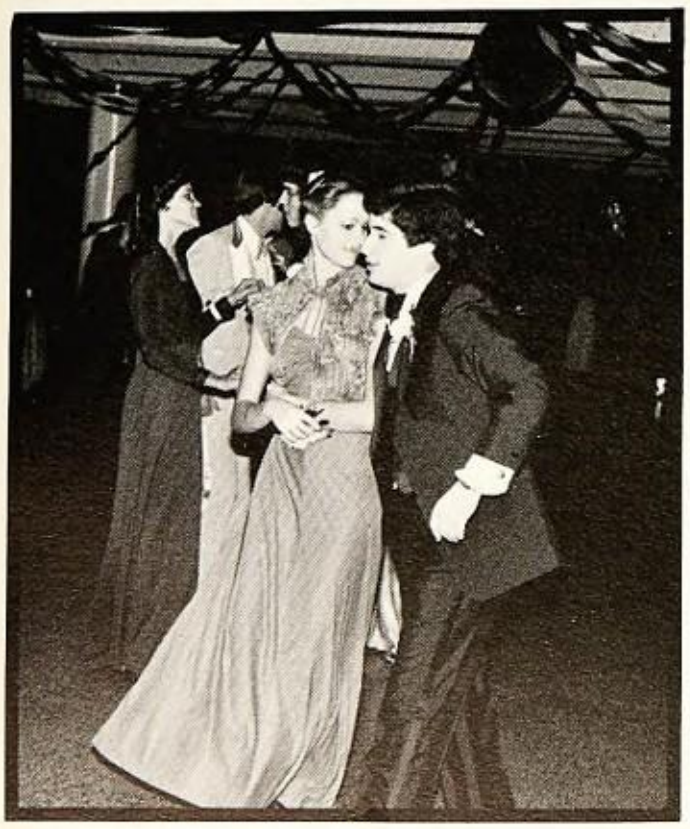
JUNIOR PROM

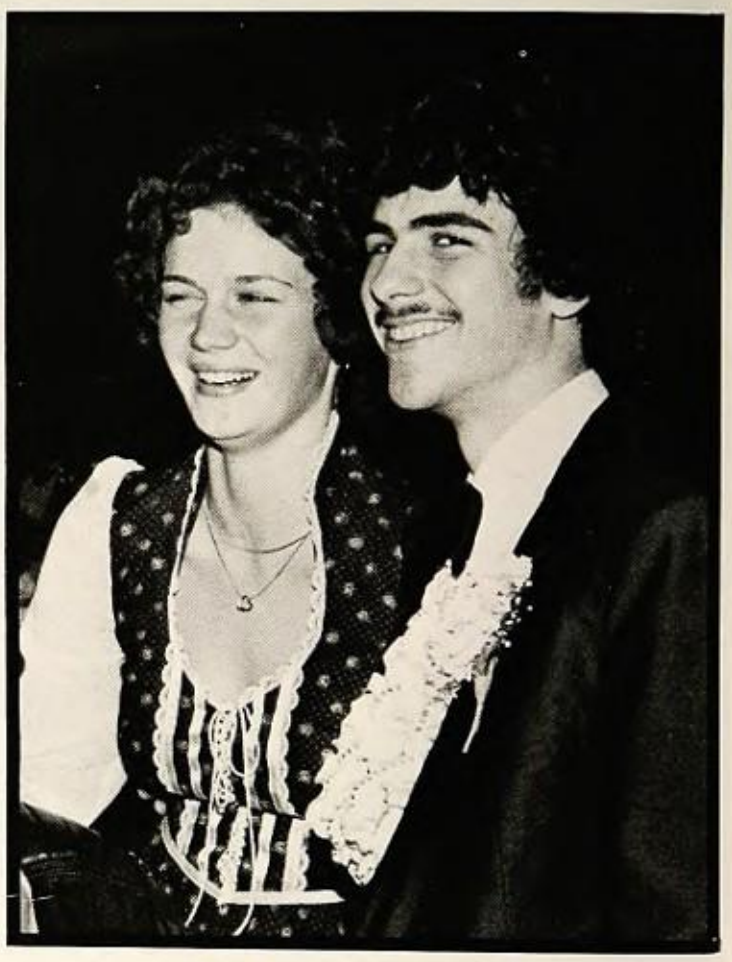
"TOMORROW AND TODAY" NOVEMBER 1980

"Look! They spelled tomorrow wrong!"



Ease on down the road . . .

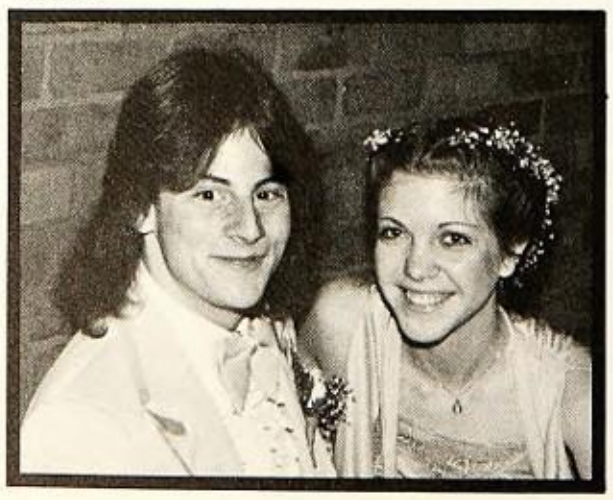
Tim and his satin doll.



Have a prom and a smile . . .

"Did you have to wear those high heels?"

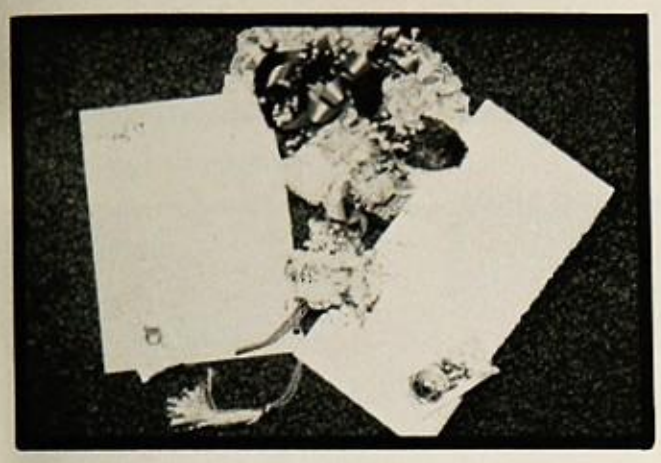
Mr. Jones and his lady.



Ain't love grand???

Love is in the air . . .

A tomorrow and today



. . . Memories . . .

Oops! They missed their curfew!

Beside you all the way . . .

And they called it - Puppy Love . . .

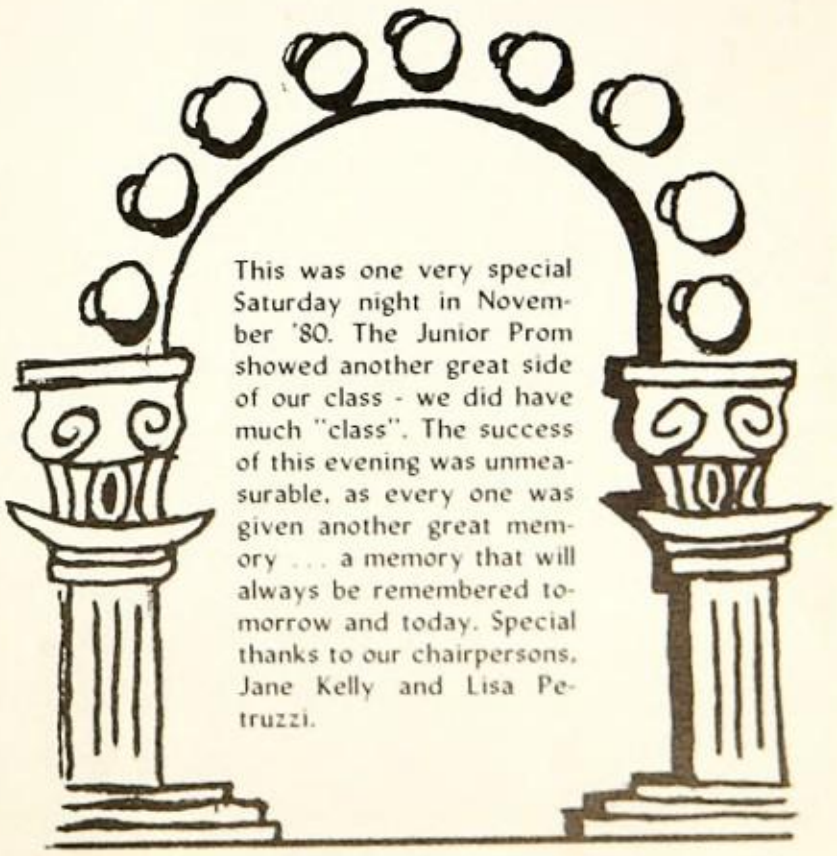
Let's groove tonight!

Can you think of a caption??

Birds on ice - that's nice!

Put your head on my shoulder

Signing his life away?



This was one very special Saturday night in November '80. The Junior Prom showed another great side of our class - we did have much "class". The success of this evening was unmeasurable, as every one was given another great memory . . . a memory that will always be remembered tomorrow and today. Special thanks to our chairpersons, Jane Kelly and Lisa Petruzzi.

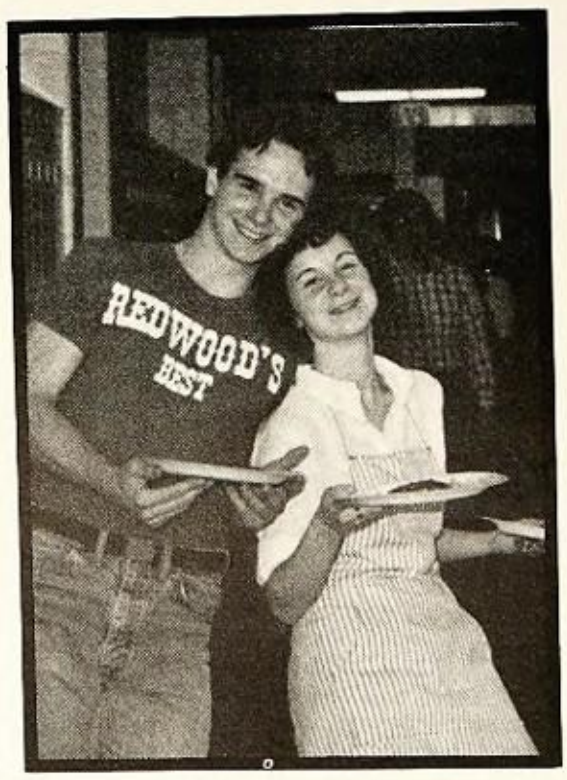
SPAGHETTI

"JUNIOR SPAGHETTI" MAY 1981

Takes two to stir our real thick, chunky Italian sauce.

"I learned to stir like this when I was fifteen."

This kid ate the sauce and moved to Virginia.



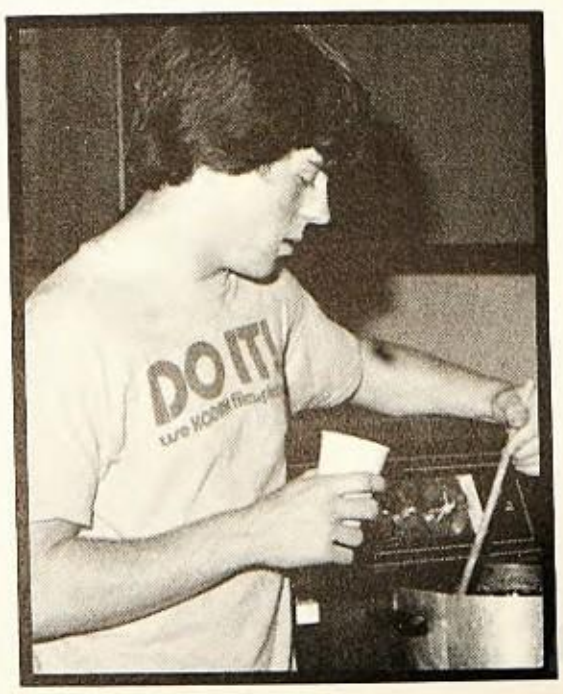
Besescheck's Italian Delight

To put juniors in a kitchen with tons of spaghetti and tons of spaghetti sauce, indeed took tons of trust from our advisers.

Time to count profits!!

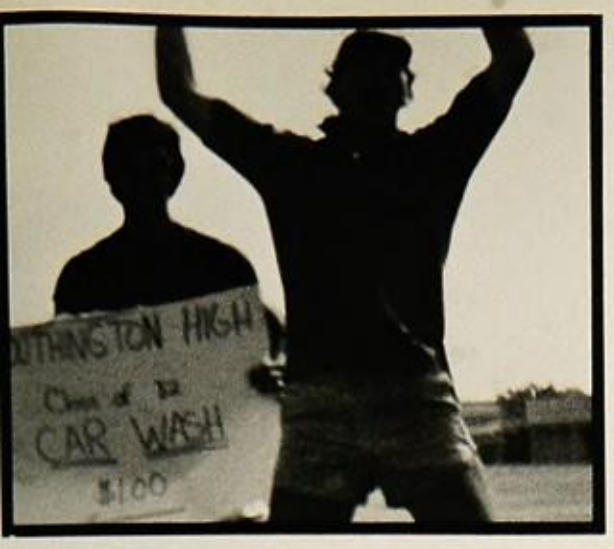
More happy customers??

"Is this the spaghetti or the sauce??"



Mike — the lucky taste tester.

Too many cooks in the kitchen?



"Help! I got soap in my mouth!!"

Working Hard Hardly Working!!!

"Me-mighty water boy!"

"Woops- there goes the paint job!"

"82" All Washed Up

"Look Ma- clean foot!!"

. . . just another drop of the bucket

. . . and some more drips

Here comes a wet HAC attack!!!

"Splish-Splash" sure did bring in lots of wet cash for our class! The pictures, on this page, just about capture the "82" technique of washing a car. Obviously, it's to get more water on yourself than on the dirty cars. Though these carwashes were extremely wet, you can bet they were great for our class treasury!!

SPLISH SPLASH!

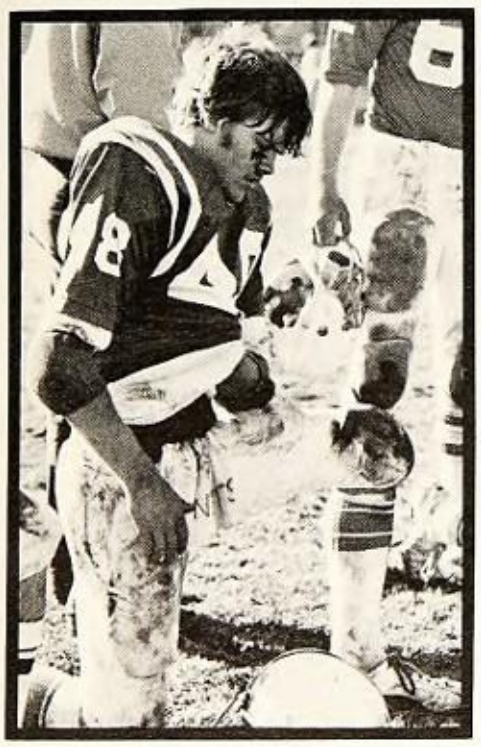
HOMECOMING

CROWNING, DANCE, GAME, OCTOBER 1981

Colleen, the 1981 Homecoming Queen

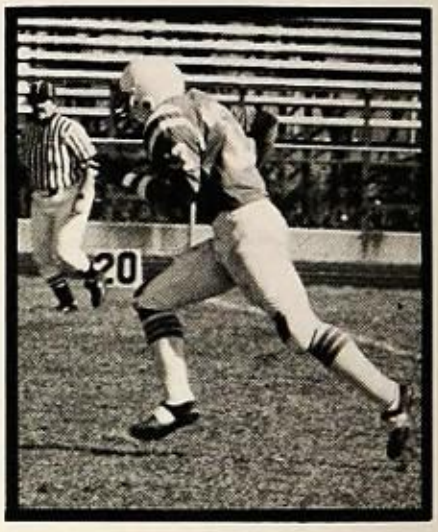
Today is "H" day, Homecoming Court gym day.

The "81" Homecoming Court, smile pretty!



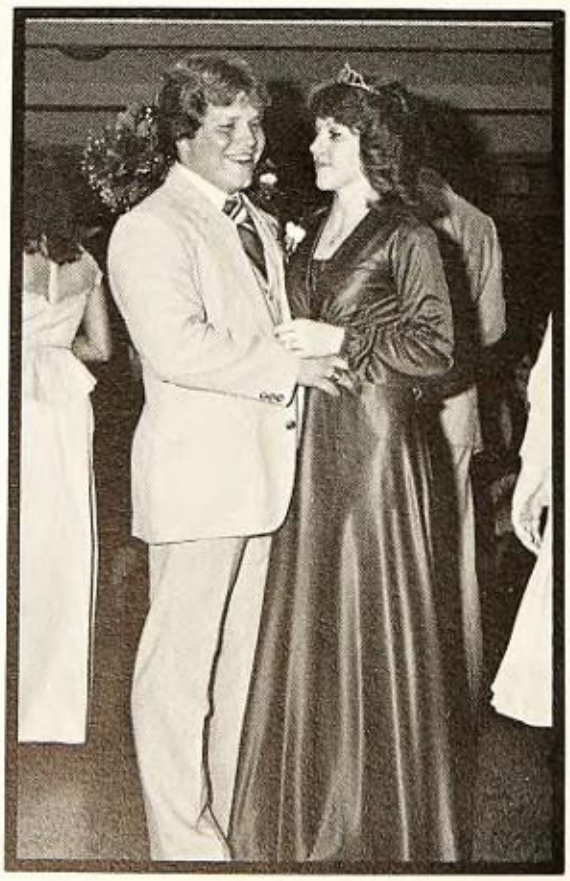
And the agony of ?????

The morning after.



Mr. J. on the run.

Should we?...Why not!



Colleen's night to remember!

Every year at Southington High, Homecoming is turned into a two-day celebration. On Friday night, October 23, the dance and crowning of the queen had taken place. The Homecoming Court consisted of; Simone Donahue as sophomore attendant, Sally Wallace as junior attendant, Heidi Morin and Gina Sgrillo as the senior attendants. Crowned as the 1981 Homecoming Queen was Miss Colleen Lawlor. Our Homecoming celebration was capped off nicely with a Blue Knight victory over Platt High.

SENIOR PLAY

NEIL SIMONS "THE GOOD DOCTOR" DECEMBER 1981

Oh how I love thee, let me count the ways.

Wind up and let it go, Pete.

Those eyebrows need plucking.

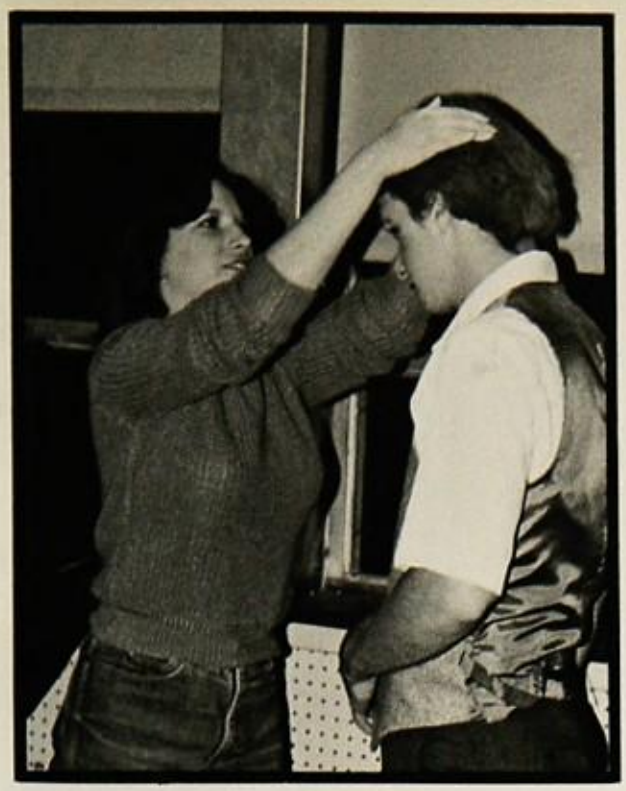
What a spectacle.

Big Bad Bouch!

Bob and Mary at our 25th year reunion.

I don't know if it's worth it.

There's the '82 backstage super crew!

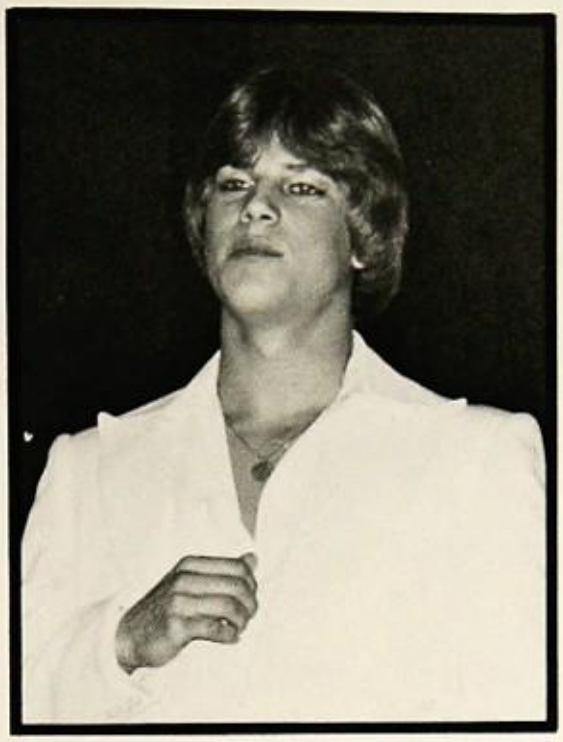


I bless you my son.

No caption needed for Mike.

The play was a dynamite success for our senior class. "The Good Doctor", a Neil Simon Comedy, was presented to the public on two nights December 4 and 5. The audience was captured with laughter as they witnessed the talented Class of 82, at its best. The directors, cast, and stage crew deserve much credit for this comedy production that was fantastically produced!

Who me???



The hair...the face...the eyes... the BOD.

Oh no, I feel a HAC attack coming on.

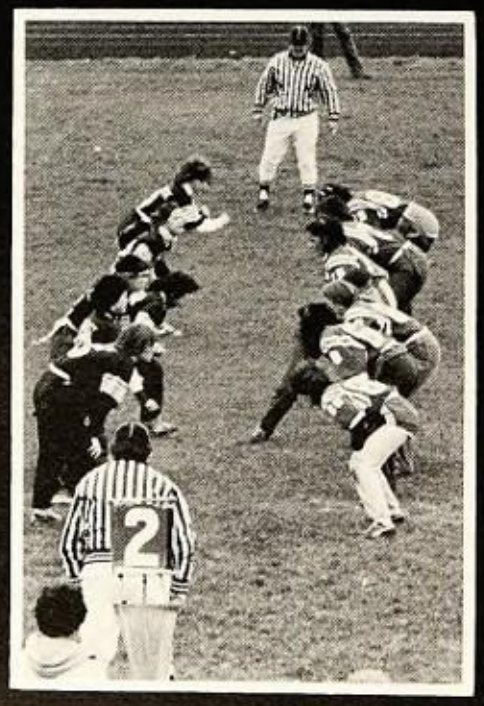
SCRAPBOOK

THE 1981 AUTUMN: STARRING THE CLASS OF 1982



The Autumn of 1981 was just loaded with '82 spirit and frolic. The entire town of Southington was able to hear it. The SHS fall teams all had plenty of cause to be proud, as all oponents walked away from every contest with nothing but respect for each team. It was great, as everybody pulled together as a class, as a team, and as friends, to make the Fall of '81- second to none!!!

There are many places at SHS that many of us never see. One place is our kitchen, which is located in the basement of the school. Long hours are spent everyday, preparing lunch for everyone. 7:50 — COMING IN

Buzzzzzz ... the alarm rings and another day begins ... The big yellow buses come rolling by, depositing students of all varieties: tired, enthusiastic, tall, short, bored, interested. At 7:50 a.m. sharp the bell rings, the morning static and morning announcements come over the loud speakers, and another school day has started ...

These true friends are the ones who have made an impression upon you, and have touched your heart. Their memory will stay with you throughout your entire lives. This is one very expensive investment that is made by many high school students. A class ring is one memory that just doesn't exist in your mind, for it is something that should always be kept dear to you. The rings at SHS can be found in many colors and sizes, as each one is different and unique. Always keep your class ring as your Class of 82 classy treasure.

They're in the schools, on the streets, on the job, everywhere one looks. In 1981, a craze hit the country. It started in prep schools and soon everyone had gotten it. Once upon a time, there lived a common teenager named ARTHUR. *He had just begun his long* JOURNEY *to find his* ENDLESS LOVE. *During one* SUMMER, *he registered for schooling at Southington High. Arthur was anxious to meet the world famous teachers-* BENJAMIN *and* GOODROW. *They were famous because Benjamin was married to* BURT REYNOLDS, *and Goodrow was living with* SALLY FIELDS *(purely platonic, of course).*

Over the summer Arthur stopped his journey to watch GENERAL HOSPITAL, *while munching on health foods such as* PIZZA *and* CHOCOLATE CHIP *icecream. He also stopped to watch the Muppet Show, with his heroes* KERMIT *and* ANIMAL *(he also dug that* BLUE *faced sax player).*

Well, when Arthur was finally enrolled at SHS he soon found out that- NO ONE HERE GETS OUT ALIVE.

The End.

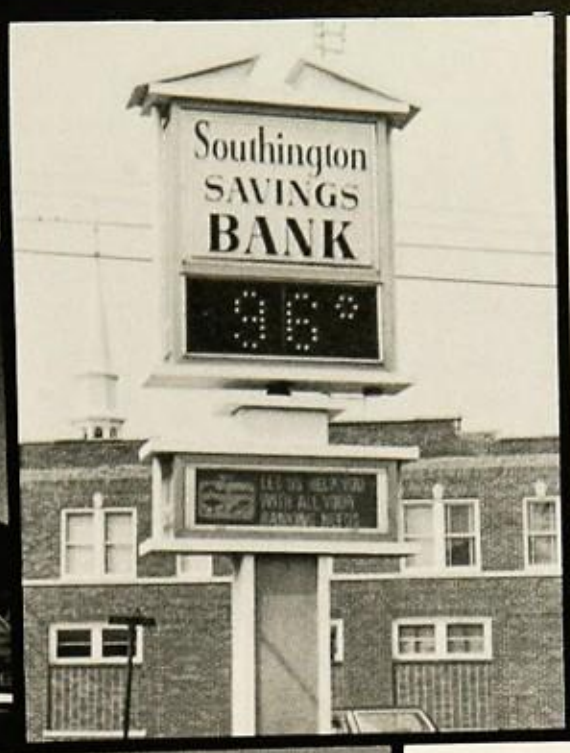
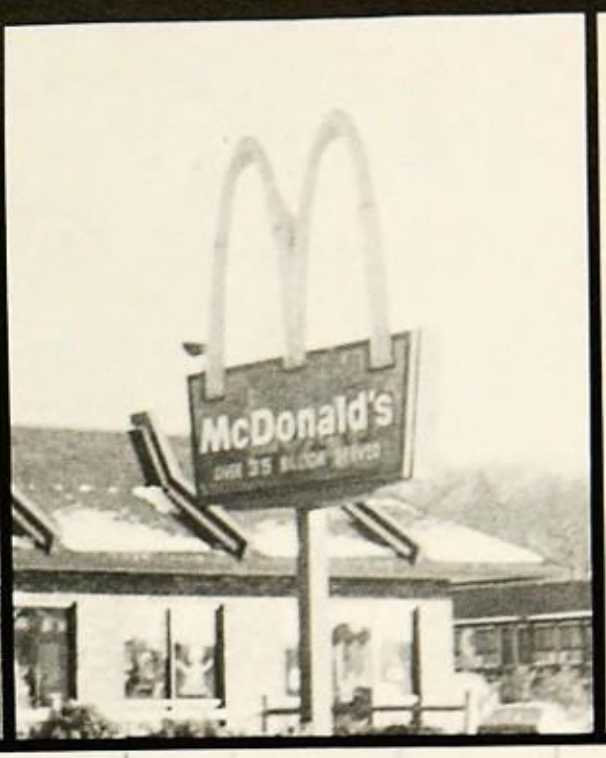
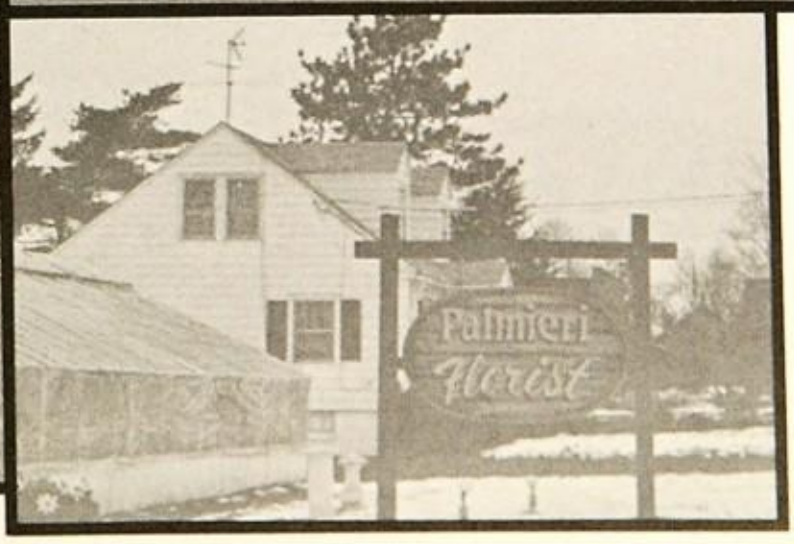
ADVERTISEMENTS







To The Class Of 1982:

Isn't It Strange
That Princes And Kings
And Clowns That Caper
In Sawdust Rings,
And Common People Like
You And Me
Are Builders For Eternity?
Each Is Given A Bag Of Tools,
A Shapeless Mass,
A Book Of Rules,
And Each Must Make —
Ere Life Is Flown —
A Stumbling Block
Or A Stepping Stone.

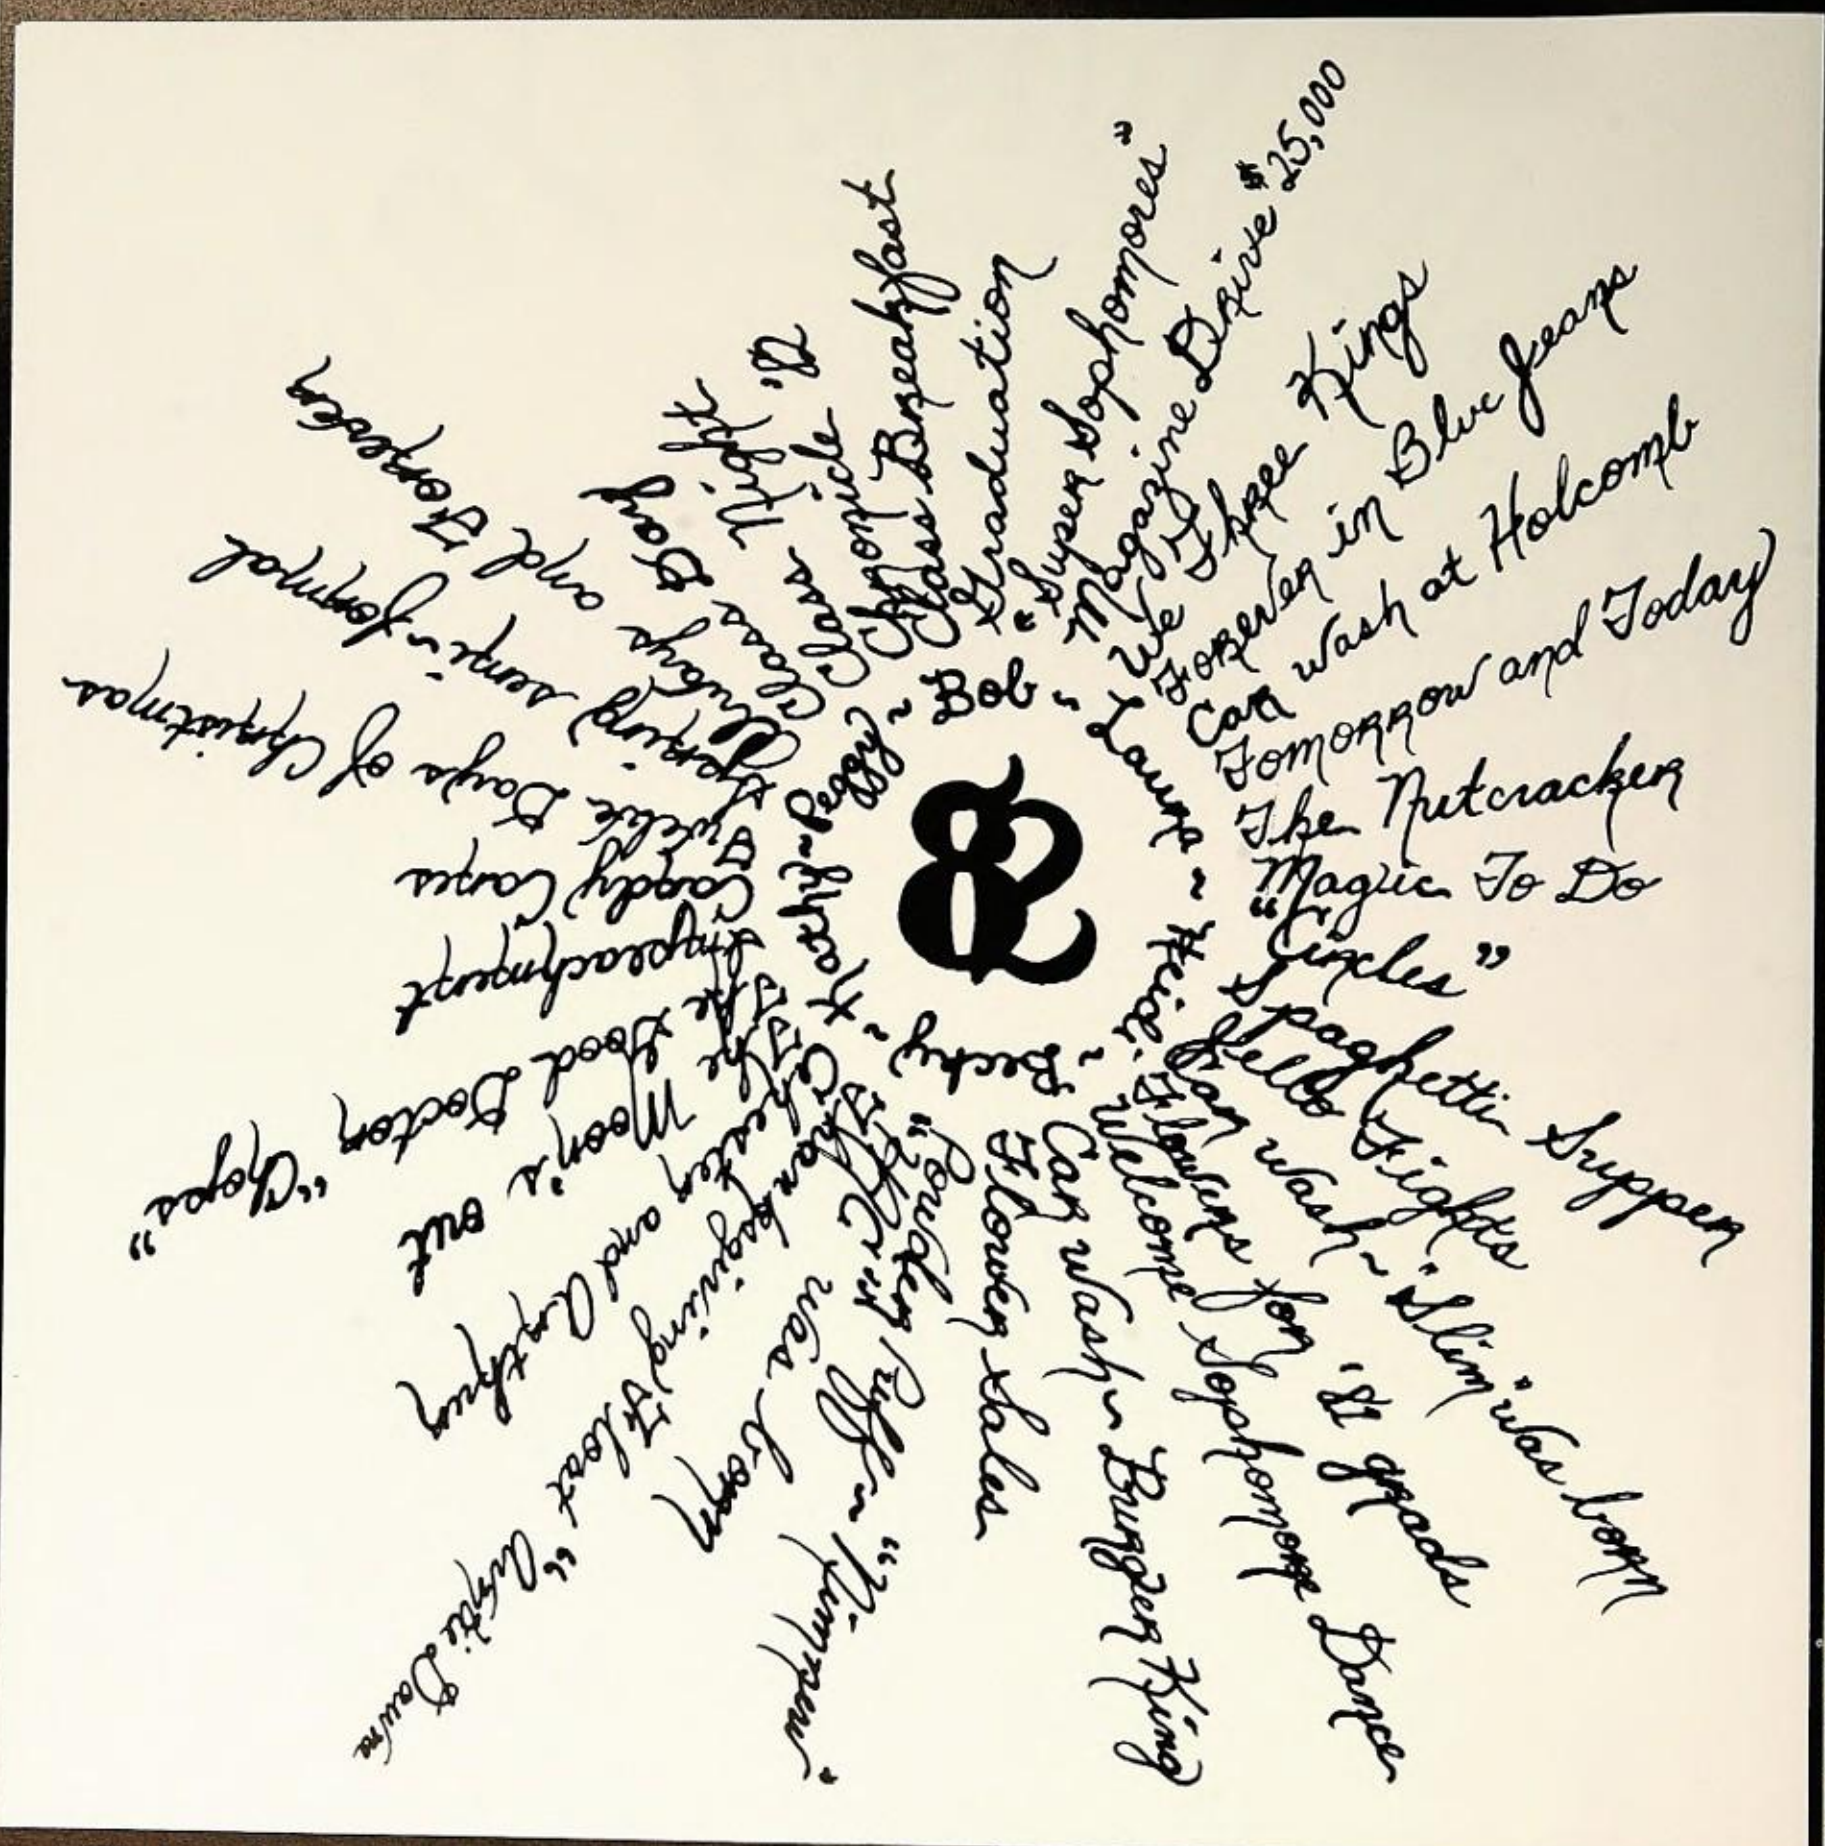
"All my life's a circle . . . the seasons spinning 'round again, the years keep rolling by."



We have shared with each of you a part of our circles and have seen your circles: circles which are bright and promising, which have now moved through three years of high school, and which look to the future with eager hopes.

May each of your circles continue to revolve for many years — growing strong with support from family and friends, rich with dreams and achievements, and full with successes and happy times. Our love and best wishes go with each of you in everything you do.

AFTER HOURS

Is There Life After School?

Smiling service at McDonald's!

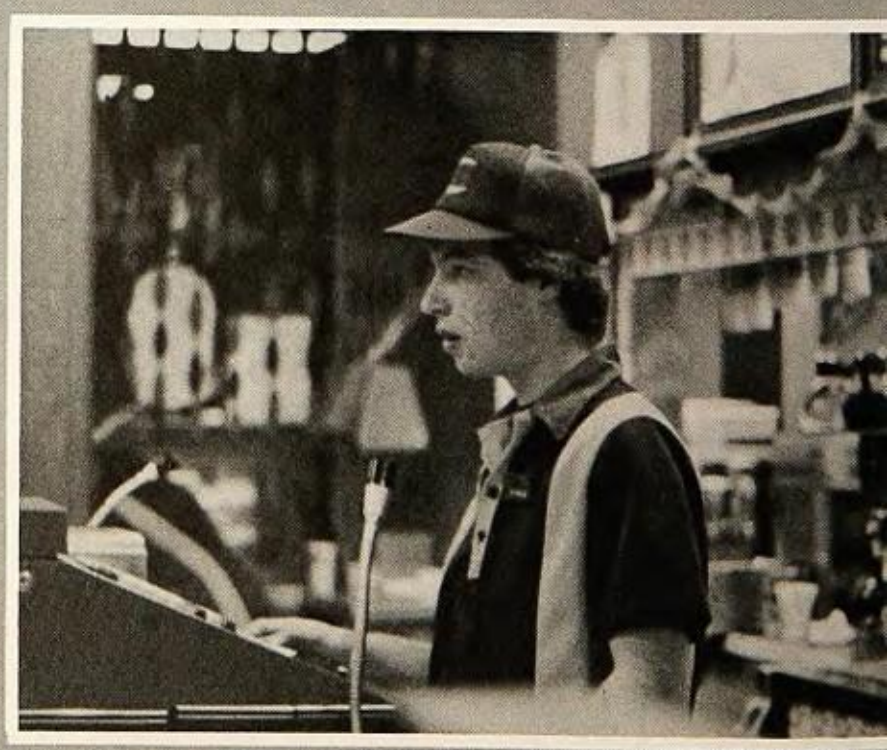
Fooling around on the job. For Shame!

"Aren't we cute?"

"Hey, wait a minute. This is supposed to be the express line!"

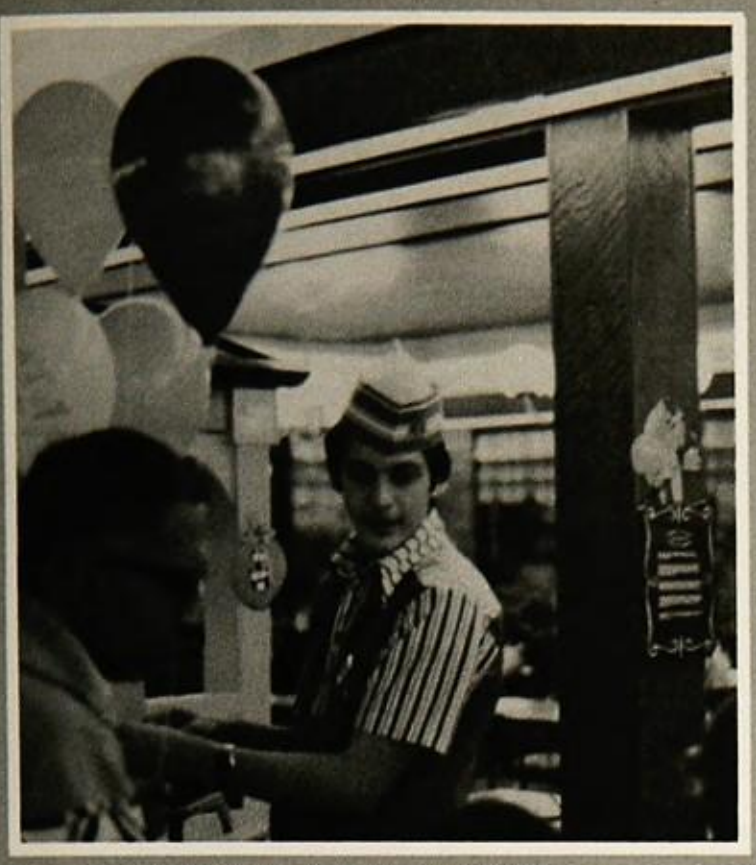
As we reach the ripe old age of sixteen, we find ourselves in desperate need of money. It's time to get our license and time to find our first part-time job. There are several options open to us. For example, we could apply at any number of the fast food restaurants in Southington, at a grocery store, a discount store or maybe even a gas station. What a decision!

Will Raye become a Dallas Cowboy Cheerleader?



"O.K. so thats a whopper without cheese, no catsup, extra pickle .

That first check seems so big. The decision: How to spend it? Some of us use our money to pay for the car we bought to transport us to and from work. Others, spend it on the necessities of life, such as clothes, food and other miscellaneous items. Those of us who are "good with money," save it. But, somehow we manage to make our check last until the next one comes.



"Balloon- Can you say that?"

"Cheers!"

Sucking one's thumb at work is a definite no no!

"I'm into leather."

"Whistle while you work."

"Can't you see I'm too busy to get my picture taken."

A woman's work is never done!

Some of us prefer to work at home.
